The P-EBT (Pandemic Electronic Benefits) Extract returns data on students who are eligible for free/reduced-price meals and meet the criteria to receive P-EBT.

*Nebraska P-EBT Extract*

## Report Logic

Only those students who qualify for free or reduced-price meals and who attended school due to the following are included:

- The school was primarily operating in a Remote Only or Hybrid learning mode due to COVID-

19.

- The student opted into attending remotely full time.
- The student was forced to attend remotely for a short time due to quarantine.

One record per student who has an enrollment in the selected calendar(s) at any time during the reporting period (entered Start and End Dates on the Report Editor) are included. If a student has more than one enrollment, only one record reports.

Students are not included when:

- The enrollment record is marked as No Show or as State Exclude.
- The grade level of enrollment is marked as State Exclude.
- The calendar of enrollment is marked as State Exclude.
