Master Roster Report

Report Logic

A record reports for enrollments that are active in the date range and calendar selected in the extract editor. Students marked as "State Exclude" on their enrollment active during the extract

date range are not included in the report.

- Only students with a SIF Admission (Student Information > General > Enrollments > SIF Fields > Admission) value of the following are included: OHP1, OHP2, OHP3, OHP4, R, OT, RVON, RVOFF, FOY, FRGN, and ROP.
- If the student is assigned an Admission code that is NOT one of the above, the days are not counted for that student's enrollment.
