Report Logic

In order to be included in the report, students must have a behavior resolution with a State Code of one of the following:

- S3: In School Suspension
- S4: Out-of-School suspension
- S5: Expulsion less than one calendar year
- S6: Expulsion more than one year
- S7: Expulsion more than one calendar year
- S8: Special Ed student removed to interim alternative education setting by school personnel
- S9: Special Ed student removed to interim alternative education setting by due process hearing officer

The Resolution's number of removal days must be at least .5 of the instructional day minutes to be included. This is recorded in the **Duration in School Days** field on the Resolution editor. If this field is not populated, the calculation uses the Resolution Start Date to the Resolution End date. If the resolution meets the value of .5 instructional days or more, it is counted as a 1 in the report.

Students must have the following set on their Enrollment Special Ed Editor:

- Special Ed Status of Y: Yes, has IEP and a Service Exit Date that is blank, on or after the

Behavior Incident Date; OR
