

# Settings (School Store)

**Classic View:** School Store > Administration > Settings

**Search Terms:** Settings

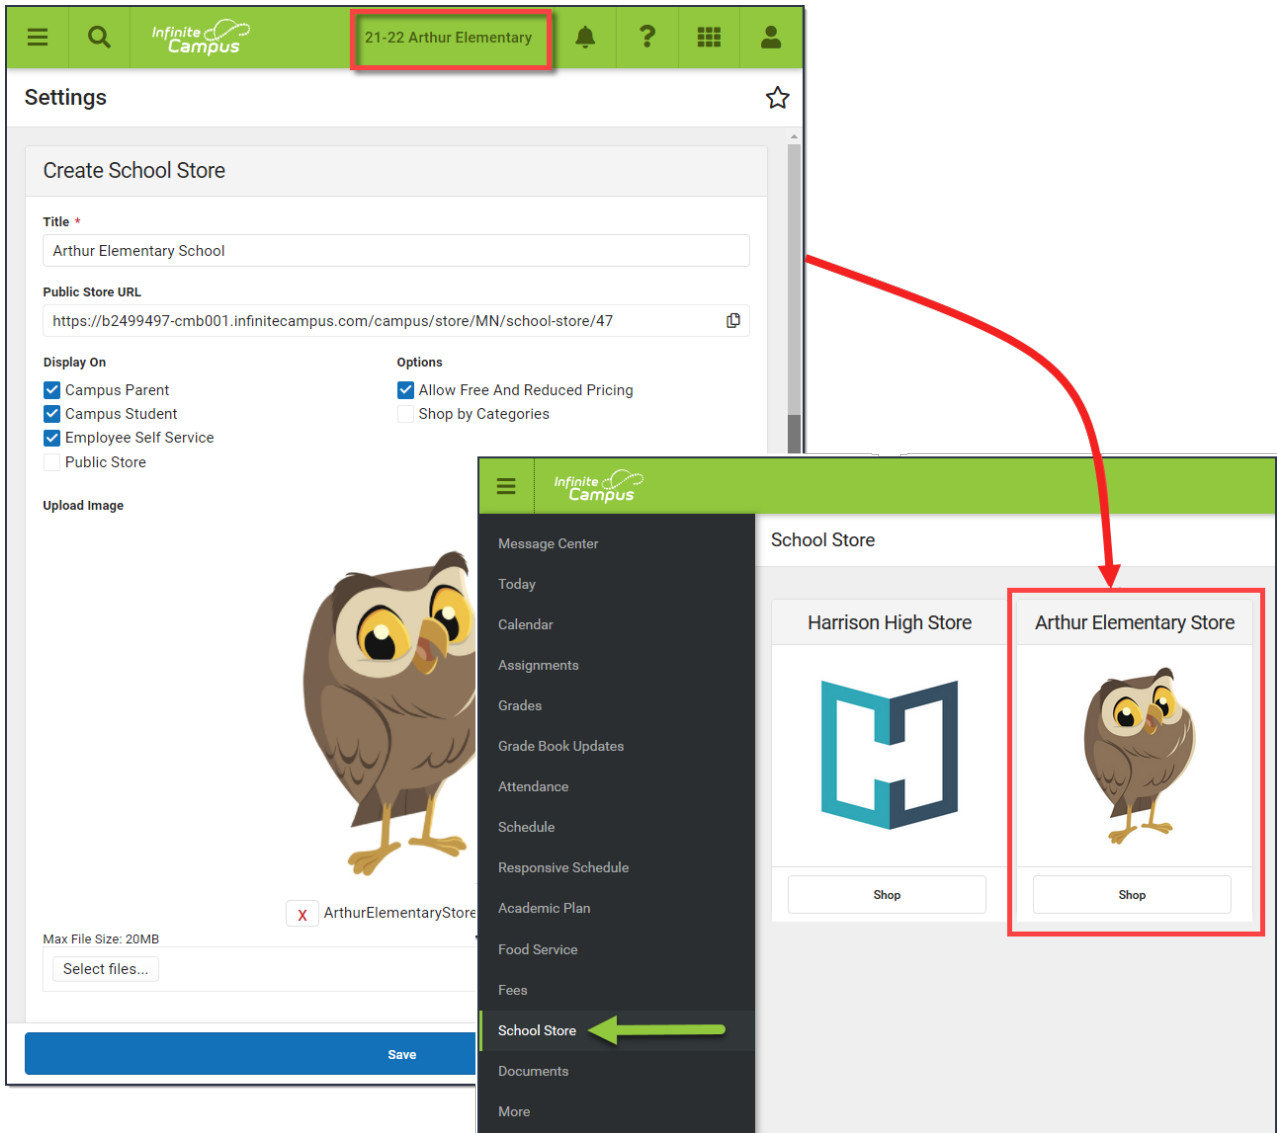

The Settings tool allows you to choose where you want the School Store to display and set up different options for every store. From here you can also set up [Public Store](#) options. The Public Store is a website where anyone can shop for goods or services from your district.

## What can I do?

- [Create a School Store](#)
- [Create a Public Store](#)

## Create a School Store

Create a store for each school by selecting the school in the Campus toolbar. Use the field descriptions provided here to complete the screen then click **Save**. Repeat this procedure for each school that is going to have a school store.

## Field Descriptions (School Store)

Field	Description
<b>Title</b>	The name of the store.
<b>Display On</b>	You can display the store in <b>Campus Parent</b> , <b>Campus Student</b> , <b>Employee Self Service</b> or the <b>Public Store</b> . If you do not want the store to display, do NOT mark the checkbox.
<b>Allow Free and Reduced Pricing</b>	When this checkbox is marked, students that have an active eligibility record (FRAM > Eligibility) can be given a reduced price for items in the store. The reduced price is set up on the product. If you do not set up a reduced price, the student is charged the regular selling price.

Field	Description
<b>Shop By Categories</b>	<p>This option allows you to set up the School Store for users to shop by category or by products.</p> <ul style="list-style-type: none"> <li>When this checkbox is marked, the first page in the store displays the <a href="#">Categories</a>. Users can select a Category to see the products they can purchase.</li> <li>When this checkbox is <b>not</b> marked, the first page in the School Store displays all of the products in the store. Users still have the option to view and group the products by category from the products page.</li> </ul>
