

Eligibility in State Edition (v1)

Classic View: FRAM Eligibility

Search Terms: Eligibility

This article documents features that are unique to Campus State Edition users. For complete information about the Eligibility tool, please see the main [Eligibility](#) article.

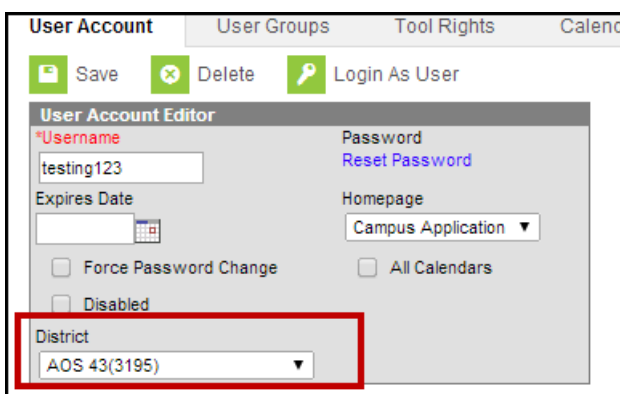

The State Edition of the Eligibility tool shows a student's eligibility for receiving free or reduced-price meal services. In addition to the standard columns on the Eligibility Editor, State Edition users can see the **District** and **District #** to which the eligibility applies.

Permissions Required for Editing

Classic View: [System Administration](#) > [User Security](#) > [Users](#) > [User Account](#)

State Edition users must have a **District** selected on their [User Account](#) in order to edit eligibility records. Selecting a District enables to the toolbar where the user can save, delete or create a new eligibility record on the Eligibility tab.
