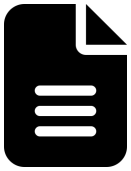
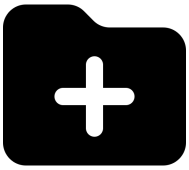
Using the Details tab, teachers can enter descriptive data about their curriculum folders, resources, and assignments.



Share Curriculum TO the Library

Article | Video

Using the Curriculum Library, teachers can share or remove their curriculum to the district-wide Curriculum Library.



Add Curriculum FROM the Library

Article | Video

Using the Curriculum Library, teachers can search the district-wide Curriculum Library and add selected curriculum to the sections they teach.

To share curriculum to or add curriculum from the library, a teacher needs the *Enhanced Curriculum* tool right, as well as tool rights to at least one of the following grading tools: Grade Book, Planner, Progress Monitor.

Additionally, the *Curriculum Library District Manager* tool right allows you to view curriculum in the Library and remove curriculum shared by anyone.

Note: Administrators can use the Curriculum Library District Manager tool to view or remove any curriculum from the district-wide Curriculum Library. Article | Video
