# Formatting Test - OR connections

Last Modified on 08/05/2024 2:23 pm CDT

# Option 1: List

Vendors with **✔ ROSTER SYNC** enabled can request section and roster data from Campus.

- This type of connection does not require a Campus Learning license.
- Available as part of the 1.1 and 1.2 versions of the 1EdTech specification.

Vendors with **✔ GRADE BOOK SYNC** enabled can send assignment and score data to Campus.

- Includes roster sync by default.
- Requires a Campus Learning license.
- Available as part of the 1.1 and 1.2 versions of the 1EdTech specification.

Vendors with **✔ ASSESSMENTS SYNC** enabled can send assessments and assessment scores to Campus.

- Includes roster sync by default.

Lozenges that are black without a checkmark indicate that a function is available for the vendor but has not been enabled in this tool.

# Option 2: Table

| ✔ ROSTER SYNC | ✔ GRADE BOOK SYNC | ✔ ASSESSMENTS SYNC |
|---|---|---|
| Vendors with **Roster Sync** enabled can request **section** and **roster** data from Campus. <ul><li>This type of connection does not require a Campus Learning license.</li><li>Available as part of the 1.1 and 1.2 versions of the 1EdTech specification.</li></ul> | Vendors with **Grade Book Sync** enabled can send **assignment** and **score** data to Campus. <ul><li>Includes roster sync by default.</li><li>Requires a Campus Learning license.</li><li>Available as part of the 1.1 and 1.2 versions of the 1EdTech specification.</li></ul> | Vendors with **Assessments Sync** enabled can send **assessments** and **assessment scores** to Campus. <ul><li>Includes roster sync by default.</li><li>Does not require a Campus Learning license.</li><li>Available as part of the 1.2 version of the 1EdTech specification.</li></ul> |
