

Grading Window- Start Here

Last Modified on 07/28/2026 3:09 pm CDT

The [Grading Window](#) tool allows a district or school to specify a period during which teachers can post students' scores for grading tasks and standards.

Getting started

- [Required Course Setup](#)

How-To Guides

- [Create or Edit Grading Windows](#)
- [Schedule Grading Windows](#)
- [Delete Grading Windows](#)
- [Schedule Grading Window Exceptions](#)
- Enable Grading Window Notifications
 - [For Teachers](#)
 - [For Supervisors](#)
- [Send Warnings](#) to alert teachers/supervisors that the Grading Window is closing soon and grades for their sections have not yet been posted
