

eTranscript - Start Here

Last Modified on 07/28/2026 3:09 pm CDT

The [eTranscript](#) tool allows schools to generate electronic versions of student transcripts. These can be submitted to post-secondary institutions and third-party vendors for use in applying for admission to a college or university.

Getting started

- [eTranscript Report Preferences](#)
 - Allows districts to determine what data is displayed.
 - Should be established before generating an eTranscript.
- [Electronic Release Setup](#)
 - Complete setup to enable the release of an XML eTranscript to a vendor.
