

# Calendar Wizard - Start Here

Last Modified on 07/28/2026 3:09 pm CDT

The Calendar Wizard provides the ability to quickly create new calendars from scratch (blank calendars), to create new calendars from previous calendars (rolling forward), and to copy information into existing calendars.

## Getting started

- Understand [available calendar modes](#)
- [What calendar option do I choose?](#)

## How-To Guides

- [Create new blank calendars](#)
