

Test Study Guide

Last Modified on 08/21/2026 7:50 pm CDT

Messenger allows emails to be sent to parents, students, and staff members. If your district purchased Messenger with Voice or Text Messenger, voice and text messages can be sent as well.

Messenger is used to send general messages, but there are other tools for sending specific messages for attendance, behavior, emergencies and staff.

Messenger 2.0

Messenger 2.0 is currently in Open Beta. These tools are subject to change as new features are released.

Overview/Getting Started
